

**REMARKS**

Claims 1-73, 75-77 and 79-81 have been cancelled. Claims 74 and 78 are allowed.

**1. Rejection under 35 U.S.C. 112, first paragraph**

Claims 79-81 are rejected under 35 U.S.C. 112, first paragraph, because the specification, while being enabling for treating pathologic obesity and eating disorder, does not reasonably provide enablement for treating sexual dysfunction. Claims 79-81 have been canceled, and accordingly this rejection is moot.

**2. Rejection under 35 U.S.C. 112, second paragraph**

Claims 79-81 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claims 79-81 have been canceled, and accordingly this rejection is moot.

**3. Conclusion**

The foregoing amendments and remarks are being made to place the application in condition for allowance. Applicants respectfully request entry of the amendments and the timely allowance of the pending claims. Should an interview be helpful to further prosecution of this application, the Examiner is invited to telephone the undersigned.
